

The CAEP Accreditation Council is the accrediting body of CAEP. It determines the accreditation status of educator preparation providers (EPPs) and appoints volunteers to serve in roles related to the accreditation process.

The CAEP Accreditation Council determines the accreditation status of EPPs pursuing accreditation based on the CAEP Standards. The full council is comprised of two commissions. The *Selected Improvement/Transformation Initiative (SI/TI) Commission* determines the accreditation status of institutions seeking accreditation based on NCATE Standards. The *Inquiry Brief (IB) Commission* determines the accreditation status of programs seeking accreditation based on the TEAC Quality Principles.

The last cadre of *legacy* decisions – accreditation cases based on NCATE Standards or TEAC Quality Principles – were made in Fall 2016. As of December 31, 2016, the commissions will no longer exist but the CAEP Accreditation Council will continue its work determining the accreditation status of EPPs based on the CAEP Standards.
